SPECIAL PROJECT FUNDING APPLICATION FORM

The Dawson Student Union commits a portion of its annual budget to fund student-led projects, events or initiatives. The goal of Special Project Funding is to help students realize projects that impact the community or advance the experience of Dawson College students. Funding is allocated on a rolling basis during the Fall and Winter semesters. SPF applications are typically reviewed within 15 business days of confirmation of receipt by the DSU. Special Project Funding is only open to DSU Members (Dawson College students).

Instructions: Complete sections A, B and C of the SPF Application Form, as well as the SPF Budget Proposal (separate Excel sheet). Download and save the application form and the budget proposal, and email both as attachments to SPF@dawsonstudentunion.com.

Once your application has been reviewed, DSU Finance will contact you via email to inform you of your application status.
